

# Need help spending less on prescriptions? We've got you covered.

## Have you used Rx Savings Solutions (RxSS)?

**CP Chemical brings you a trusted service**—created and run by pharmacists—that can help you take control of your prescription drug costs. RxSS works with your doctors, your insurance and your medications to help you save.

**Activate your account now to pay less for prescriptions.**

Get started at [myrxss.com](http://myrxss.com)

Scan the QR code to download the RxSS mobile app and activate your account.

### How it Works

- 1** RxSS pharmacists find **equally effective, affordable medications** covered by your insurance.
- 2** Your online account shows any **lower-cost prescriptions** available and lets you compare prices.
- 3** Switch to a more **affordable option with ease**. We'll get your doctor's approval and work with your pharmacy to get it done for you.
- 4** We'll contact you anytime you can save on prescriptions.

# Your account is ready to go.

Visit **myrxss.com** to activate it today and start saving.

## How Can You Save?

We find all the medication options for your conditions. You and your doctor decide what's best for your health and budget. Here are just a few ways you might be able to save money:

- Generic forms of name-brand drugs
- Better prices through different pharmacies or mail-order
- Equally effective medications that cost less than your current prescription

## Real People. Real Savings.

“They took service to a whole new level by calling my doctor and the pharmacy and facilitating a prescription change to save me money.”
